Program Sponsorship Opportunities

Leadership North Carolina partners with organizations, corporations, and individuals across the state to provide high caliber programming for class members. You can contribute to the meaningful experience of participants, and thereby the state, by making financial and in-kind donations. The participant program fee covers only 30 percent of the program costs, so Leadership North Carolina relies on donations from alumni and the community to maintain high-quality experiences and opportunities for North Carolina's emerging leaders. All donations are tax deductible.
