Strategic Plan: The UNC System's 2022-2027 Strategic Plan aims to build on this strong foundation by setting measurable goals under five broad categories:

- **Access**
- **Student success**
- **Affordability and efficiency**
- **Economic impact and community engagement**
- **Excellent and diverse institutions**

The goals and metrics outlined in the Strategic Plan reflect the long-term vision and priorities of the UNC Board of Governors and align with how we measure the institutions' performance on key priorities.

System-wide Initiatives: The UNC System invests in a number of ongoing initiatives. The scope of these initiatives reflects the breadth of our impact, which reaches all levels of education in North Carolina and benefits students of every age. <https://www.northcarolina.edu/impact/system-wide-initiatives/>

University of North Carolina System Evaluation of University Programs: According to a [comprehensive study of academic degree programs](#) across the UNC System, the typical degree from a UNC System university is not only an affordable investment, but also has high value in the job market, leading to significant positive returns to graduates. <https://www.northcarolina.edu/impact/stats-data-reports/>

UNC System Fact Sheets: <https://www.northcarolina.edu/unc-system-fact-sheets/>

County Connections Fact Sheets: The University of North Carolina System is committed to its mission of instruction, research, and public service across all 100 counties of the state, impacting economies and communities from the mountains to the coast. This interactive map of 100 counties provides a snapshot of how our 16 universities contribute to both urban and rural parts of the state. Fact sheet information includes number of resident undergraduate and graduate students enrolled in UNC System institutions, number of UNC System employees residing in each county, and total dollars in economic impact made through N.C. Cooperative Extension, [an agricultural research partnership between N.C. State University and N.C. A&T State University](#). <https://www.northcarolina.edu/impact/county-connections/>

Interactive Data Dashboards: The UNC Data Dashboards are interactive reports sourced from an online database that gives students, parents, policymakers, and taxpayers expanded access to detailed system data on selected core measures. <https://www.northcarolina.edu/impact/stats-data-reports/interactive-data-dashboards/>
