

SENIOR TLC BENEFITS GUIDE

You will have all your medicines covered without the fuss of choosing a special plan.

Our clinical pharmacist works with your doctor to make sure your medicines work their best and to reduce any bad effects.

When you're not feeling your best, you can be seen on the very same day. Plus, there's no rush during your appointment—take all the time you need to feel heard and cared for!

We hold routine check-ins and daily meetings where we'll talk about your needs and how we can give you the best care possible.

You will have 24/7 access to our dedicated team of nurses and providers who know you inside out—your needs, your medical history, everything!

Rides to our social center or specialty appointments. We provide personalized assistance every step of the way.

We bring quality care right to your doorstep if you need it. Your clinic team can visit you at home.

All your care services are now coordinated in one convenient location. No more delays or hassles.

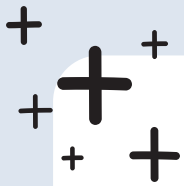

Our social center is where you can enjoy engaging activities, delicious meals, and convenient on-site care—all in one place!

We cover all your special needs—nutritional supplements, medical equipment, and even some personal care items.

You'll always receive coordinated care from familiar faces who are dedicated to your well-being. It's all about building trust.

Senior TLC provides full-service, personalized healthcare and insurance for aging adults 55+ in need of a little extra support and care. We meet your needs, even as they change.

At Senior TLC, we believe that everyone deserves quality care and peace of mind, and we are here to provide just that.

“Senior TLC helped me get my independence back by ensuring I have access to affordable medical care, transportation, and housing. With all my needs met, I can remain at home and enjoy my life to the fullest.”
