Vigilant Students

Post Photo by Engel

Queens College students take part in all-night vigil at Gov. Rockefeller's New York office to protest his announced intention to veto a bill mandating free tuition in the City University system. Demonstration is in its third day.

Transition To North Carolina

- Leadership skills and experience
- *Little knowledge of NC environment*
- *Little knowledge of NC services, opportunities and challenges*
- *Little knowledge of NC history*
- *No personal/professional network*

Leadership North Carolina | Inform, Engage, Lead

- Information (services, opportunities and challenges)
- Deeply meaningful program experiences
- Introduction to key NC leaders, agencies and companies
- Network of friends and colleagues (enduring relationships)
- More informed and effective leader
- Helped me feel like I had a new home
